“Walking with a friend in the dark is better than walking alone in the light.”

Why do we spend several hundred and in some cases even as much a couple thousand dollars to attend International Rally. I couldn't say it better than this quote from Helen Keller; for many of us it's about relationships.

Past International First Lady Miss Lilly, said me today that “this is our family”. She and Ewart are celebrating their 30th International. Why do we attend this event? Among other reasons is to make friends and enjoy relationships. Powerful friendships are built over time at this event. Attend social hours and make at least one friend at this rally and it will be, for you, a success. To you all, I say I like you!! I want to be your friend. Thank you for coming.
