Newsletter for WBCCI Attendees

Shannon Wylie, Editor #4199

Cell: #210-323-1742

Issue # 10, June 30, 2015

In a social gathering it's the people that matter. Not the venue.

People together, caring, socializing has a power it compels us to be more open more accepting of diversity. All human socials have beauty, and through interaction that beauty is reviled to us. Whatever our friends are; young, old, Christian, Jewish, white or black or brown, whatever sex Orientation, or creed. As we react we learn the true value of our friends and the fact that we are all equal worth. Knowing this comes from social interaction, which leads to accepting people as we find them. This is how we learn to judge based on content of charter after all we are all Airstreamers. Our highest goal is to gather people together to have some fun. It is my hope that we are in some small way meeting that goal here at Farmington.

If you would like to put an article in the last newsletter please contact Shannon Wylie #4199 at (210) 323-1742 or at shannonwylie248@hotmail.com, site 2-33. There is a box in the Club Office titled Rally News Articles if you would like to drop your articles there. The cut off time for your article is 3:00 PM daily. Anything given after the 3:00 PM deadline will be included in the following days newsletter.

During this hot, hot summer we are using 14x14 2" foam over the Fantasy Fan openings while we use our AC. This has helped keep our airstream cooler. The 14x14 foam pad fit easily over the opening. You just push them in. You can buy the foam at Hobby Lobby. It also dulls the light from outside. Stay cool—the heat wave will be breaking soon!
